**CONCERTO FOR BARITONE SAXOPHONE, SMALL ORCHESTRA, AND ELECTRONICS**

*By Joseph Bozich*

ELECTRONICS SETUP:

-Laptop computer (used from within ensemble, probably near percussion)

-Ableton Live (any version, incl. free trial downloadable from Ableton)

-Audio interface (with outs for the two speakers and monitor; USB or Firewire to Laptop)

-Two speakers (on stands behind orchestra, not "flown" above)

-Monitor (with volume control) for conductor

-Ableton Live files (provided with the parts)
